

LOVE

Words adapted from Revelation 21:5; 1 John 4:18; Matthew 6:8, 7:7

Love, is always here for you,
Love makes each day new,
Love will show the way and guide you,
Love, Love does not know fear,
Problems disappear,
And you'll feel such Love inside you.

Love knows only loveliness,
Love is ever-present joy and true happiness.
Love, Love will never leave,
Knows our every need,
And I do believe that Love is All.

Ask, Love will always give,
Every day you live,
Ever-present Love is caring;
Love, comforts you and leads,
Love and you'll receive
Blessings for yourself - and for sharing.

Love knows only loveliness.
Love alone can bring us joy
And true happiness.
Love, Love will never leave us,
Knows our every need,
And I do believe that Love is All.
