

Child of God

To Thee we turn from doubt and fear!
In perfect peace our thoughts abide;
Our hearts now in this truth confide:
Man is the child of God.

O Light, in Thy light we can see
That man is ever one with Thee.
In love our lives Thou dost enfold,
And now our waiting hopes behold
That man is God's own child.

O joy that ever will remain,
Midst seeming sorrow, hate, and pain,
Our hearts to fill with this glad song
That soars above the mists of wrong:
Man is the loved of Love.
