

Shine In Our Hearts

*Shine in our hearts, Thou light from heaven,
Driving the darkness all away.
So shall the veil of night be riven,
Yielding to Truth's eternal day.*

*Shed on our path, Thy light so gracious,
Melting the mists of doubt and fear.
Thine is the kingdom sure and spacious,
Infinite Love alone is here.*

*Glory to love's celestial splendour,
Bathing the world in loveliness.
Love's ever-presence calm and tender,
Ever avails to heal and bless.*

Music: An Old French Carol Tune,
